PE Impact Report 2016 – 2017

This report will look at how the PE premium has been spent and its impact across four key areas highlighted by Government for development within schools.

These comprise:

- Engagement of pupils in regular physical activity.
- The raised profile of sport and PE as a tool for school improvement.
- Increased staff confidence and knowledge.
- A broader range of sport on offer to pupils.
- Competitive Sports

Area of spend	Pupils in receipt of PE funding by year group	Costing of initiative	Impact measure	Result
Annual subscription to Sunderland AFC Foundation of Light	All year groups	£6,275	Engagement of pupils in regular physical activity. Increased staff confidence and knowledge	All pupils in school across all year groups regularly participate in at least 1.5 hours high quality PE curriculum delivery. Children have access to an organised programme of competitions and festivals. Links to other sporting clubs are promoted. The number of children involved in additional physical activity has increased and additional structured physical games/activities is offered once per week before school at breakfast club and twice weekly at lunchtime break. All Teaching and Teaching Assistant staff up skilled via working alongside the Sunderland AFC Foundation of light PE coach, the holder of an MSc in Professional Practice in Sports Coaching.

Residential visit to the Lake District	Years 5 and 6	No cost implication from Sports Premium Grant £500 Funding from grant received which reduced cost of visit per child	A broader range of sport on offer to pupils.	Upper Key Stage 2 children and staff participated in a residential visit to the Lake District. Whilst there they participated in a diverse range of sporting activities which we were unable to provide in school e.g. ghyll scrambling, bell boating and team building activities in the outdoor environment.
Forest School	Nursery and Reception	As detailed above	The raised profile of sport and PE as a tool for school improvement.	<p>An analysis of data for the current 2016 – 2017 cohort of children compared to the previous 2015 – 2016 cohort shows that the Forest School teaching and learning experience has improved the percentage of children achieving a good level of development in Moving and Handling (100%) and Health and Self Care (88%).</p> <p>In 2015 – 2016 before Forest School was introduced, percentage figures for a good level of development were lower in both Moving and Handling (87%) and Health and Self Care (80%).</p>
SLA to Sunderland AFC Foundation of Light	All year groups	As detailed above	The raised profile of sport and PE as a tool for school improvement.	<p>An analysis of data for the 2016-2017 year shows that the high quality teaching by the qualified Sunderland AFC coach has made a positive impact on progress throughout Key stages 1 and 2.</p> <p>Across the school, the percentage of children assessed as secure for their year group expectations were as follow:</p> <ul style="list-style-type: none"> Year 1 86% Year 2 90% Year 3 100% Year 4 100% Year 5 100% Year 6 80%

				In all cases except one, children across school who did not meet the secure standard has special educational needs. In one instance a child with a broken arm was unable to participate in PE for a term.
Multi Games Sports Festival	Y2 pupils	£165 Travel costs	Competitive Sports	School Sports Partnership organised multi skills session for KS1 pupils. Opportunity for competitive games.
Cross Country	Y5/6 Pupils			Cross Country team as part of the School Sports Partnership.

In the coming academic year September 2017 – July 2018 we would propose to use the Sports Premium money in a similar way if the figure for the grant remains at the same level. However if there is any increase in funding we would look at the following areas of provision:

- Provision of outdoor adventurous PE in order to increase participation in this sport and improve pupil engagement in a range of different sports.
- Provide after school sports sessions for both Key stages 1 and 2 to focus on a range of physical exercise and activities.

Sustainability of Actions

At a lower (present) level of funding sustainability has been proven over the past year.

At a higher level of funding we are confident that we could sustain present performance and outcomes for children and improve on participation levels of sport offered.
