

## Class One Autumn Newsletter

Welcome to our Early Years newsletter and the second part of the Autumn Term. We have had a busy few weeks settling the children in and we have been delighted with the way the children have taken everything in their stride. They are accessing the many learning opportunities we have available and are developing many skills through our provision which can be an adult focussed task or indeed an interest that the children have had of their own.

Over the coming weeks our topic will be centred on the topic of celebrations and light and dark. Please keep a look out in the new EYFS for good stories and songs that your child will be accessing.

Please continue adding your lovely photos and experiences in your child's my world book. The children are very excited to share what they have been doing with family and friends and we really enjoy seeing these happy times for you and your child.

Parents of Reception children could you please continue to recap the sounds we have learnt in RWI with your child. We are starting to blend now and any help at home improves your child's reading journey and their access to the wonderful world of books.

Parents of Nursey children please continue to read a bedtime story with your child and involve yourself in their sensory packs and making and doing the things that interest you and your child.

Over the coming weeks our topic will be centred on the topic of celebrations and light and dark. Please keep a look out in the new EYFS for good stories and songs that your child will be accessing.
