### Equality Act 2010 Schools' provision of the public sector equality duty

We at Burnhope Primary School are committed to equality. We aim for every pupil to fulfil their potential no matter what his/her background or personal circumstances.

We maintain the aim of embedding principles of fairness and equality across our entire curriculum, in assemblies and acts of collective worship, in break and lunchtimes, in pastoral support and in after school activities.

- ✓ Foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

We will give relevant and proportionate consideration to the public sector equality duty.

We will have **due regard** to advancing equality of opportunity including making serious consideration of the need to

- remove or minimise disadvantages suffered by persons who share a relevant protected characteristic that are connected to that characteristic;
- take steps to meet the needs of persons who share a protected characteristic that are different from the needs of persons who do not share it;

### Equality Objectives

Our equality objectives are:

To allow equal access to information for all stakeholders

- Monitor and analyse pupil achievement by race, gender and disability and act on any trends or patterns in the data that require additional support for pupils.
- Diminish the difference between disadvantage and non-disadvantaged pupils
- Raise attainment for more-able disadvantaged pupils
- Ensure all pupils are given the opportunity to make a positive contribution to the life of the school e.g. through involvement in the School Council by election or co-option), class assemblies, fund raising etc.
- Identify, respond and report racist incidents as outlined in the Plan. Report the figures to the Governing body / Local Authority on a termly basis.
- To increase attendance of pupil premium pupils across the school.

**We will update our equality objectives every four years and will publish progress on them annually in our equality information**

We adopt a whole school approach to equality and consider it important for pupils to learn about equality and human rights. We adhere to the Equality and Human Rights Commission (EHCR) statement:

*'To reap the full benefits of equality and human rights education, it is essential to teach topics in an environment which respects the rights and differences of both students and teachers. Without an equality and human rights culture within the classroom and school as a whole, learning about these topics can at best appear irrelevant, and at worst, hypocritical. The respect and tolerance it teaches will help staff and students create a healthier, happier, fairer school culture, and could lead to reductions in bullying and other negative behaviour, and improvements in attainment and aspirations.'*
