

## Nut Allergy Awareness Policy

### Purpose

The purpose of this policy is to:

- Raise awareness about allergies to all our school community
- Ensure we provide a safe learning environment for all
- Give assurance to those children/families with severe allergies that we take the management of these seriously

### Aim

We are not a nut-free school but we aim to be as nut-free as we can. It is impossible to provide an absolute guarantee that no nuts will be brought onto the premises but we will strive to minimise this as much as we can.

### Management

We ask that all members of the school community manage the day to day application of this policy in the following ways:

- Parents and carers are requested NOT to send food to school that contains nuts. This includes all types of nuts, peanut butter, nutella, cereal/chocolate bars and any other food containing nuts.
- Staff will be alert to any obvious signs of nuts being brought in, but they will not inspect all food brought into school.
- Children will be asked NOT to share food.
- Children will be encouraged to wash hands before and after eating.
- Some staff are trained in understanding and dealing with Anaphylaxis (severe allergic reactions) and will use this training as the need arises.
- The school dinner provider will ensure all cooked food is nut-free.
- School will endeavour to ensure that all food that is provided for the children e.g food tasting opportunities or Christmas parties etc. will be nut free
- Parents will be advised about ensuring nut free products are brought into school e.g. Birthday Cakes

### Promotion

The policy will be promoted by:

- A copy of this policy being made available to all parents and carers.
- Staff being informed and provided with training opportunities.
- Children being informed via teachers and support staff.
- Publication of this policy on the school website.
- Issue of the policy in the new admission packs.

This policy was adopted by governors November 2018
