PE Impact Report 2018 – 2019

This report will look at how the PE premium has been spent and its impact across four key areas highlighted by Government for development within schools.

These comprise:

- Engagement of pupils in regular physical activity.
- The raised profile of sport and PE as a tool for school improvement
- Increased staff confidence and knowledge.
- A broader range of sport on offer to pupils.
- Competitive Sports

As a school, we aim to improve the way we think about play and provide opportunities for play. We believe that play is essential for physical, emotional, social, spiritual and intellectual development. The contribution of play to educational development is suggested through the inherent value of different play types e.g. through risk taking and exploratory play in formal and informal settings, allowing children to experiment, try new things and push their boundaries.</p> <p>Our school aims are:</p> <ul style="list-style-type: none"> ○ to provide children with a play setting which is enjoyable, stimulating and challenging; ○ to allow children to take risks; ○ to provide children with a range of play opportunities which will support children's learning across the curriculum and about the world around them. <p>Not only do we aim to provide more valuable play experiences but we also celebrate (in weekly OPAL assemblies) play for those who have shown good teamwork, resilience, creativity and creative ideas. In 2018- 19 our school was awarded a GOLD award for its commitment and dedication to improving children's play opportunities.</p>
<p>Total £18,043 Minus income = £16540 £1503 allocated from general school budget</p>				

In the coming academic year September 2019 – July 2020 we would propose to use the Sports Premium money to ensure that at least 2 hours of high quality PE is taught each week for all pupils across school as they have received this year. Swimming lessons will continue to be delivered to Y1-Y6 pupils across the year. We also aim to increase participation of before school and after school sport. Using a qualified teacher to lead PE and OPAL across the school will strengthen the progression of core skills and develop teams to enjoy sport in a competitive manner. This will also strengthen the leadership of this subject and the profile of sport and activity within our school.

Key aims of 2019-20

- 2 hours of high quality PE to be taught to pupils across school.
- Provide before and after school sports sessions for both Key stages 1 and 2 to focus on a range of physical exercise and activities.
- Increase the amount of competitive games the children take part in both inside and outside of school.

Sustainability of Actions

At the higher level of funding we are confident that we could sustain present performance and outcomes for children and improve on participation levels of sport offered.
