

Class 2's Autumn Newsletter 2020

Welcome to the Autumn Term in Class 2, I hope you have all had a fabulous Summer and are ready to get back into an exciting and busy School Year at Burnhope Primary School. Miss Shepherd, Miss Thompson and I are so excited that we get to see some of the wonderful children we had last year but also get to meet some new children to!

We have some really exciting learning experiences coming up in Autumn term including Seasons in Science, Fundamental skills in PE and All about me in Jigsaw. Of course this year things will be a little bit different to normal but we have a fabulous new outdoor area to share with you all and some brilliant new areas set up in the classroom.

Make sure you sign up to our new Classes on Class Dojo to follow all of our exciting adventures and share our learning experiences.

Diary Dates:

Activities and events to follow when COVID restrictions loosen.

Things to Know:

PE Kit is needs to be brought to school on a Monday morning and will be returned weekly on a Friday. This should be a **white t-shirt and a pair of dark shorts as well as a pair of suitable shoes** ideally plimsoles or trainers. Please note that this year some of our PE lessons will take place outdoors and because of this we ask your child also brings with them **suitable outdoor footwear and some longer bottoms i.e. jogging pants or dark leggings for the girls.**

Reading Records and reading books should be returned daily for books to be changed. The reading raffle prizes will be drawn at the end of each week, those children who read at home 3 times or more a week are entered into the raffle to win a prize!

We encourage the children to drink water through the school day from a water bottle. Please can your child bring a dishwasher proof **water bottle** to school on a Monday which will be kept in school and washed daily.

Homework and spellings will be sent out on a Thursday and will need to be returned to school by the following Monday.
