### Harvest / Autumn Celebration 2020

Dear Parents and Carers,

Like most things in 2020 we are discovering that we need to find different ways to approach things that we have taken for granted. As we will not be able to invite families into school for our Harvest celebrations this year we thought that we would bring the celebrations to you!

Over the next couple of weeks, Adam Chetter ([adamchetter.com](http://adamchetter.com)) will be filming in school capturing special moments from each of our class 'bubbles'. Please rest assured that this will be following the strict protocol we have for visitors which includes maintaining a 2 metre distance from the children. Adam is a professional photographer / filmmaker and has the appropriate camera lenses to capture those special moments even from a distance.

We hope to carry out most of the filming on Wednesday 14 October with another session planned for Thursday 22 October. We have lots of exciting activities planned for the children to take part in and are looking forward to sharing songs and activities with you through the medium of video and photographs.

The vast majority of parents / carers at our school have already given general permission for their child to be photographed or videoed on such an occasion as this. If you have answered 'No' to any of the photographic consent questions you will be send a text with a link to state if you give your permission for your child to be filmed / photographed on this particular occasion. Your child will still take part in the activities it just means we will ensure that they are not present on the final video.

I hope that you enjoy sharing the video when it is made with your extended families and it helps you to feel part of school. I am sure that the children will enjoy watching what the other 'bubbles' in school have been up to as well.

Of course if you have any questions or concerns you can contact me by Dojo message or telephone.

Thank you all for your continued support and I look forward to sharing the finished product with you. If it is a success and popular with families we may well be able to organise a Christmas celebration video.

Yours sincerely

Mrs L Adamson
