Christmas Card / Gift Project

Dear Parents,

This year we have decided to participate in a 'Christmas Design Project' run by Cauliflower Cards. The project aims to encourage pupils' creativity and design skills whilst also raising funds for our school.

Your child has been creating his/her own Christmas design which can be professionally printed to produce personalized Christmas Cards, Gift Labels, Wrapping Paper and/or Mugs.

Not only would it be very exciting for your child to see his/her work as a finished printed product, the cards themselves are great for sending a more personal greeting to friends and family at Christmas and the Mugs are great for gifts!

As the children finish their artwork within class we will be sending home a copy of their design and order form. If you would like to place an order this must be done by ordering and paying **online directly to Cauliflower Cards**

<http://xmas.cauliflowergroup.co.uk>

Please use the unique code located at the top of the pupil order form. You should refer to your order form for further instructions. By **Friday 23 October** all artwork will have been sent home with your child.

As we hold the original artwork in school we will be posting this to the company. It is important that you let school know if you have ordered by returning the form to us for our records. **All forms where orders have been placed must be returned to school by: Friday 6 November**

Cards will be delivered by the beginning of December. All funds raised through this project will be added to school fund to help pay for additional activities.

Thank you for your continued support.

Yours sincerely
